

## Christmas Mass Photos

Friends,

Thanks to the Lord we are back in the church. We loved saying masses in the hall, but now we feel more "at home". It was possible for all the volunteers. The contractor finished most of his work, and then the volunteers helped with most of the finishing touches. We got volunteer painters, electricians, carpenters, decorators and movers. We are very grateful for the time and effort given by all in the community. It's all for the glory of God.

The pictures are from Christmas Eve and Midnight Masses. What you cannot see is the new HVAC and Electrical upgrades. As you can see, we are not done yet! We still need to complete half the pews and the flooring. That would be the project for this year.

Thanks for your prayers and blessings. May the Lord bless you in the upcoming year.
